Subject: draft 404g tribal consultation letter for your review
Attachments: 404g Tribal Consultation Letter Draft_10.10.18.docx

Hi John,

I'm attaching a draft letter to initiate 404g tribal consultation for Dave's signature. Before we send it to Karen and Allison to move forward for Dave's signature, we'd like your review. Our goal is to try to have it signed early next week so that it can go out in advance of the NCAI meeting the following week.

For the states letter, we are getting input from Andrea Barbery and Allison. Lauren has locked in Dec. 5 and a room. Once we hear back and I have had a chance to review we'll share the draft with you. I'd like to reach back out to the associations to give them a heads up on the date. Is that cool?

Thanks!
